GENERAL-SECRETARY. 9FEB 32 No.

SIR,

I have the honour to state that I had intended to employ a draftsman for preparing the maps and diagrams which will have to be included in the Census Report. Mr. G.J.Nanjundiah, a supervisor in the temporary establishment was found to be familiar with this kind of work and was willing to do it working over-time if necessary. He was therefore put on this work from the beginning of January 1932. He has made some diagrams and they are neat and good and the Press considers them suited for further work. As Mr. Nanjundiah has to attend to the work mainly outside office hours, he has been told that he will be given an allowance for it. A competent fulltime draftsman would have had to be given about Rs.40/- per mensem and would have taken two months or slightly longer for completing the maps and diagrams. In the circumstances I have the honour to request that sanction of Government may be kindly obtained to the payment of an allowance of Rs.15/- per mensem to Mr. Nanjundiah for about three months from 2nd January 1932. The expenditure will be met from the provision for temporary establishment in the budget of the department for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

M. Venkatesa Iyengar

Census Superintendent.
